

Doylestown Cable RESIDENTIAL SERVICES AGREEMENT

TERMS OF SERVICE APPLICABLE TO “Fair Price Pledge”– 12/01/2018 -Version 1.1

You ("Customer") understand and agree that this Residential Service Agreement ("Agreement") apply to Doylestown Cable of Doylestown, Ohio ("Doylestown Cable") provision of each and every communication service ("Service(s)") ordered by Customer, which may include cable television service ("Video Service") and high speed data service ("High Speed Internet Service"), provided by Doylestown Cable and voice service ("Phone Service" and, together with Video Service and High Speed Internet Service, as applicable "Services") provided by Doylestown Telephone Company ("Doylestown Telephone" and together with Doylestown Cable, "Service Parties") and Doylestown Cable equipment ("Equipment").

- 1. Agreement.** Customer agrees to be bound by the terms of this Agreement by: (i) executing a copy of the Work Order presented to Customer at the time of installation ("Work Order"), (ii) ordering a Service, or (iii) using one or more Services at Customer's location. Doylestown Cable may, in its sole discretion, change, modify, add or remove portions of this Agreement at any time. Customer's continued use of the Services following such notice shall be deemed as Customer's acceptance to any revision in this Agreement. If Customer does not agree to the revised Agreement, Customer must immediately notify Doylestown Cable of Customer's intent to terminate Service and return all Equipment.
- 2. Residential Use.** The Services provided are solely for Customer's personal, residential use and Customer shall not use Services for any commercial purpose. Doylestown Cable shall have the right to determine, in its sole discretion, what constitutes a "commercial" purpose.
- 3. Access to Customer Premises.** Customer grants Doylestown Cable and its employees, representatives and/or agents the right to enter Customer's premises and access Equipment, the wiring within Customer's premises and Customer's computer(s) to install, connect, inspect, maintain, repair, replace, disconnect, remove or alter the Equipment, check for signal leakage, or install or deliver Doylestown Cable provided software ("Software"). Customer shall cooperate in providing such access upon request of Doylestown Cable. If Customer is not the owner of the premises, Customer warrants that Customer has obtained the legal authority of the owner to authorize Doylestown Cable personnel and/or its agents to enter the premises for the purposes described herein.
- 4. Payment.** The charges for one month of Services, including any deposits and installation and Equipment charges, are due upon installation of the Services. Thereafter, Customer agrees to pay monthly recurring Service charges and Equipment charges (if any) in advance, including all applicable fees, taxes, regulatory fees, franchise fees, surcharges and other government assessments no later than the date indicated on Customer's bill. Charges for non-recurring Services or Equipment charges will be reflected on Customer's subsequent bill at the then current applicable rates. If Customer elects to pay by automatic recurring credit card, debit card or automatic clearing house payments, Customer authorizes Doylestown Cable to charge such accounts. Failure to receive a bill does not release Customer from Customer's obligation to pay. Failure to pay the total balance when due shall constitute a breach of this Agreement and may be grounds for termination of Service, removal of Equipment from Customer's premises and/or imposition of an administrative fee ("Administrative Fee") in accordance with applicable law. Any Administrative Fee imposed on Customer is intended to be a reasonable advance estimate of costs of managing past due accounts. Doylestown Cable does not extend credit to Doylestown Cable's Customers and the Administrative Fee is not interest, a credit service charge or a finance charge.
- 5. Additional Fees.** In addition to Customer's monthly recurring charges and any Administrative Fee, additional fees may be imposed, including fees for returned checks, charge card chargeback, early termination, reconnection and service calls. Additional charges may also be imposed if collection activities are required to recover past due balances, including attorney fees. A list of fees is available on Doylestown Cable's website (www.doylestowntelephone.com). Doylestown Cable reserves the right to amend or change the Schedule of Fees from time to time by posting the changes on Doylestown Cable's website.
- 6. Early Termination Fees.** If a Customer cancels, terminates or downgrades any Service before the completion of the term shown on the Work Order ("Initial Term"), or prior to the term of any promotional offer, Customer agrees to pay Doylestown Cable all sums, which shall become due and owing as of the effective date of the cancellation or termination, including: (i) all non-recurring charges reasonably expended by Doylestown Cable to establish service to Customer, (ii) any disconnection, early cancellation or termination charges reasonably incurred or (iii) all recurring charges for the remaining balance of the Initial Term and/or value of the promotional offer.
- 7. Security Deposits.** Customer acknowledges and agrees that Doylestown Cable may verify Customer's credit standing with credit reporting agencies in accordance with applicable laws and require a deposit based on Customer's credit standing or past payment history with Doylestown Cable. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. Security deposits paid by Customer for Equipment or Services may be used, to the extent permitted by law, to offset any unpaid balance or charges after termination of Service. Customer shall remain liable for any outstanding balances after the security deposit has been applied. Further terms and conditions of the security deposit may be contained in the deposit receipt given to Customer at the time the security deposit is collected.

8. **Disputed Charges.** Customer must notify Doylestown Cable in writing of billing errors, disputes or requests for credit within thirty (30) days after Customer receives the bill for which correction of an error or credit is sought. The date of the dispute shall be the date Doylestown Cable receives sufficient documentation to enable Doylestown Cable to investigate the dispute. The date of the resolution is the date Doylestown Cable completes its investigation and notifies the Customer of the disposition of the dispute.
9. **Adjustments or Refunds.** Any adjustment or refund shall be an amount equal to the pro-rata part of the monthly charges applicable to the interrupted Service and associated Equipment charges for the period of time during which the Service is interrupted. The adjustment or refund will be accomplished by a credit on a subsequent bill for the Service. Except as otherwise expressly provided in this Agreement, the liability of the Service Parties, their officers, shareholders, directors, employees, affiliates, vendors, sub-contractors, carrier partners, content providers, agents and other persons or entities involved in providing the Services or Equipment for damages shall in no event, by reason of any delays, interruptions, omissions, errors, failures or defects in installation or service, exceed an amount equal to the Customer's Service charges for a respective Service and associated Equipment fees with regard thereto for a regular billing period ("Maximum Credit"). No credit allowance will be made for:
- i. interruptions of Service due to the negligence of or noncompliance with the provisions of the Agreement by Customer or any person authorized by Customer to use a Service;
 - ii. interruptions of a Service due to the negligence of any person other than Doylestown Cable including, but not limited to, the other common carriers connected to the Doylestown Cable's facilities;
 - iii. interruptions of a Service due to the failure or malfunction of Customer owned equipment or third party equipment;
 - iv. interruptions of a Service during any period in which Doylestown Cable is not given full and free access to its facilities and Equipment for the purpose of investigating and correcting interruptions,
 - v. interruptions of a Service during a period in which Customer continues to use the Service on an impaired basis;
 - vi. interruptions during any period when the interruption is due to implementation of a Customer order for a change in Service arrangements;
 - vii. interruptions of a Service due to circumstances or causes beyond the control of Doylestown Cable.
10. **Limitation of Refund.** Unless otherwise provided by applicable law, in the event any amounts owed by Doylestown Cable to Customer are not claimed by Customer within one year of the date on which the amount became payable to Customer, Customer shall forfeit all rights to the refund and all such amounts shall become the property of Doylestown Cable.
11. **Equipment And Software.** Any network facilities, Software, cabling or Equipment (including set top boxes, DVR's but not cable modems or ATA's purchased by Customer) installed or provided by Doylestown Cable will remain the property of Doylestown Cable. Customer will acquire no ownership or other interest in the network facilities, cabling, Software or Equipment by virtue of payments made pursuant to this Agreement or by the attachment of any portion of the network facilities, cabling or Equipment to Customer's residence or premises.
- a. **Misuse of Equipment.** Customer will not open, alter, misuse, or tamper with the Equipment. Customer will not remove Equipment from the location where Equipment was installed. Customer will not remove any markings or labels from the Equipment. Customer agrees to safeguard the Equipment from loss or damage of any kind, and (except for any self installation procedures approved by Doylestown Cable) will not permit anyone other than a Doylestown Cable authorized representative to perform any work on the Equipment.
 - b. **Return of Equipment.** If Customer's Service is terminated or canceled (for whatever reason), Customer agrees that Customer no longer has the right to keep or use the Equipment and Customer must promptly return the Equipment. The Equipment must be returned to Doylestown Cable in the same condition as when received, ordinary wear and tear excepted. If Customer fails to return the Equipment, Customer will pay Doylestown Cable the value of the equipment and any expenses Doylestown Cable incurs in retrieving the Equipment. Failure of Doylestown Cable to remove the Equipment does not mean that Doylestown Cable has abandoned the Equipment. Doylestown Cable may continue to charge Customer a monthly Service fee until any remaining Equipment is returned, collected by Doylestown Cable or fully paid for by Customer. Customer acknowledges that costs of repair or replacement are subject to change and other charges relating to the possession and use of the equipment may be increased at any time in accordance with applicable laws or regulations. Upon notice, Customers agree to pay such charges or return the equipment in good working order.
 - c. **Damaged or Lost Equipment.** If the Equipment is damaged by Customer, destroyed, lost or stolen while in Customer's possession, Customer is responsible for the cost of repair or replacement of the Equipment.
 - d. **Operation of Equipment.** The Customer agrees to operate any Equipment in accordance with instructions of Doylestown Cable or Doylestown Cable's agent. Failure to do so will relieve the Service Parties of liability for interruption of Service and may make the Customer responsible for damage to Equipment.
 - e. **Tests and Inspections.** Upon reasonable notification to the Customer, and at a reasonable time, Doylestown Cable may make such tests and inspections as may be necessary to determine that the Customer is complying with the requirements set forth herein.
 - f. **Repair.** Doylestown Cable will repair and/or replace defective Software or Equipment provided such damage was not caused by misuse, neglect or other fault of Customer. controls or other consumer electronics, including any hardware or third party software, which may be connected to the Services ("Customer Equipment").
